Why are you interested in working as a camp counselor for the OC?

What do you think are the qualities that make a good camp counselor?

Are there any days or weeks that you will not be available during the duration of camp (June 28 - August 13)?

Are you CPR/First Aid Certified? If not, are you willing to complete the certification at the staff training prior to the start of camp?

Do you hold any certifications? Lifeguard, childcare, etc?

Are you willing to complete a background check?

Please send application to Desiree Petto at summercamp@theoutingclub.org
